

## Weekly Update

Week of August 28, 2017

**Subject:** Updated Business Warehouse Queries Available in Grants Management  
**Audience:** Grants Management Users

To increase the performance of the Business Warehouse (BW) queries, SCEIS is replacing several existing queries with new queries. These new queries will allow for easier maintenance of the BW system and more efficient handling of large amounts of data. Please begin using the new queries as soon as possible as the old queries are scheduled to be decommissioned in the future.

The table below details which Business Warehouse queries will replace the existing queries with the same descriptive name beginning **Monday, August 28, 2017**.

Query Description	New Report Tech Name	Old Report Tech Name
